# **FREE 6 Hour LEAD SAFE WORK PRACTICES TRAINING**

## **LEAD-BASED PAINT TRAINING PROGRAM FOR RENOVATORS & REMODELERS**

### **UPCOMING 2006 TRAINING DATES**

**October 3<sup>rd</sup> & October 17<sup>th</sup>**

**November 2<sup>nd</sup> & November 14<sup>th</sup>**

**December 5<sup>th</sup>**

This 6-hour course is designed to teach lead safe work practices to renovators, remodelers, painters, carpenters, homeowners, landlords and those who regularly disturb lead-based paint. The course provides information on containment, minimization and cleanup of lead hazards. This course is also designed for workers who perform paint film stabilization, interim controls, or standard treatments for federally assisted activities pursuant to 24 Code of Federal Regulations (CFR) Part 35. Completion of this course satisfies HUD requirements for interim controls training in federally assisted housing, it does not provide certification or licensing of lead inspectors, risk assessors, abatement workers or supervisors.

**The Monroe County Department of Public Health Childhood Lead Poisoning Prevention Program is sponsoring this course. Space permitting this class is open to the general public yet persons regulated by the MCDPH Lead Program have priority registration. Course location: Rochester, New York. There is no charge for this training session but pre-registration is required.**
